I understand that electric energy will be provided in accordance with the most current rules and regulations of the City of Glenwood Springs Electric and Water System. The rules and regulations are available for review at the office of the utility board or the City Clerk's office. I hereby agree to pay promptly for the service for which I am billed and further agree that my service may be terminated after notice of failure to make such timely payments. I also understand that service may be disconnected, and that I may be liable to criminal proceedings for tampering with the meter measuring my service or for theft of electric energy or water. Additionally, I understand that I will be required to pay a reconnect fee and possible additional utility deposits before service is reconnected and that on referral of my account for collection, I will be liable for payment of all reasonable costs, including court costs and attorney fees.
